

WINTERMATE

AN ISO 9001:2015 CERTIFIED COMPANY

WINTERMATE FIBER PVT LTD

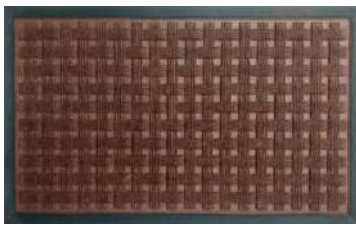

WINTERMATE FIBER PVT LTD

Wintermate, an ISO 9001-2015 Company, is a pioneer manufacturer and exporter of high-quality natural flooring ideas, established on 18/01/2018. The Company is spearheaded by Mr. Mohan Nair, Managing Director who is adequately backed-up by a team of efficient staff/work force having an impeccable track record of immense experience and efficiency in the industry.

During a very short span of time, Wintermate has been able to carve a niche for itself in the flooring Industry and emerged as one of the leading and largest manufacturers and exporters of exquisite coir products and other natural floor covering products. We are based in Cherthala, Alappuzha, Kerala, INDIA. CHERTHALA is also known as the “Coir Capital of India”. We offer a wide range of products to our customers across the Globe, with the help of our experienced team of designers, product-matter specialists, and technicians. Our team constantly monitors the changing market patterns, and work closely with customers to understand their preferences. This 100% customer-centric model has elevated us to the position of those fastest-growing coir companies in Kerala.

Our commitment to the highest quality standards, in-depth knowledge of international export laws, and prompt deliveries have helped us to build a reputable position in the global markets. With on-going efforts to expand into new areas of the international markets, Wintermate is committed to continuing its history of high-quality production and providing personal, efficient and quality services for its clients
